RESOLUTION 2008-19

SUPPORTING THE COMPLETION OF UNDERGROUND UTILITIES IN TRINIDAD

WHEREAS, the City Council of the City of Trinidad generally desires to have all overhead utilities place underground within the City limits, and

WHEREAS, Ordinance 153 establishes a procedure for the creation of underground utility districts and requires as the initial step in such procedure the holding of a public hearing to ascertain whether the public necessity, health, safety or welfare requires the removal of poles, overhead wires and associated overhead structures and the underground installation of wires and facilities for supplying electric communication or other similar or associated service in any such district; and

WHEREAS, there remains several areas within the City limits where overhead utility lines have not yet been placed underground; and

WHEREAS, the City of Trinidad has worked successfully with its residents and utility companies over the years to have utility services installed underground.

NOW THEREFORE, BE IT RESOLVED, that it is the policy of the City of Trinidad to complete the undergrounding of all utilities within the City limits, and

NOW THEREFORE, BE IT FURTHER RESOLVED, that that the work of the utility companies for removal of all poles, overhead wires, and associated overhead structures, and the underground installation of wires and facilities of supplying electric, communication or similar, or associated service, within City of Trinidad be completed by the earliest practical date.

PASSED AND ADOPTED BY THE TRINIDAD CITY COUNCIL of Humboldt County of the State of California on Wednesday, August 13, 2008.

I, the undersigned, hereby certify that the foregoing Resolution was duly adopted by the Trinidad City Council by the following vote:
