City of Trinidad Stormwater Management Improvement Project Public Meeting

Thursday, June 13, 6:30 – 8:30 pm
Trinidad Town Hall
409 Trinity Street

Please attend this meeting to learn about:

- City of Trinidad's Stormwater Management Improvement Project
- The geology of the Trinidad plateau and shoreline
- The Stormwater Project design approach
- Conceptual designs for the stormwater system improvements
- Techniques for reducing our own stormwater pollution

Attendees will be invited into a discussion about the project.

We hope you can join us!
